

Graphic Design Internship

Organizational Overview

St. Joseph County Right to Life believes life is our most fundamental right, and our most precious gift. Abortion and euthanasia end innocent human lives while shattering countless others physically, emotionally, and spiritually. St. Joseph County Right to Life saves children, women, and men from the devastating effects of abortion and euthanasia and works to protect innocent human life from fertilization to natural death through advocacy, education, outreach, and prayer.

Internship Details

Interns will have the opportunity to work on numerous graphic design projects for social media campaigns, educational and advocacy outreach, and Right to Life programs and events.

Duties will include:

- Collaborate with office staff on designing billboards, bus benches, and other promotional materials
- Design educational infographic and research information for these creatives.
- Assist the Communications Manager with developing and implementing social media campaigns.
- Assist with the education of Right to Life events.

Other projects will be assigned at the discretion of the Executive Director.

Intern can exercise creativity in experimenting with unique designs and his/her work will potentially be featured on in Right to Life publications, marketing material, and merchandise.

Requirements

- Enrollment at an accredited university.
- 1-2 years graphic design experience
- Excellent verbal and written communication skills
- Ability to work with minimal supervision
- Strong commitment to the pro-life movement

Please submit résumé and a 500-word cover letter to RTL's Executive Director, Jackie Appleman, at ExcecutiveDirector@prolifemichiana.org.
